Billing
The ILL staff always attempts to locate materials at no cost. However, if another library charges us, we will pass that charge along to our patrons. Additionally, we comply with copyright limits, so copyright fees may be incurred. If cash is to be used, items must be paid for at the time of pickup. If a departmental PeopleSoft chart string is provided, the items will be billed at the end of the month. Unfortunately, the LSUHSC New Orleans Libraries cannot accept credit cards or PayPal as a method of payment.
A Few Notes about ILLiad

- While not all fields are required, the more information that is provided, the quicker the article can be found.

- You can choose if you are willing to pay for the material and how much.

- ILL is meant to borrow materials not available from LSUHSC – NO libraries either in print or in electronic formats.
