Accessing Library Resources when Off-Campus

In order to access Library resources when off-campus, you must be verified as an eligible user of the resource. This is done through OpenAthens, EZproxy, or a combination of the two. These authentication tools, along with links that have been configured to direct you to log in, will ensure you can access all Library resources with no issues.

Where should I start to look for books, journals, or databases?
The Library web site: https://www.lsuhsc.edu/library
Here you will find links to the Library Catalog, Databases, and other resources.

If you access a site directly without going through the Library, you may be able to log in using OpenAthens, but it is not supported by all publishers.

What is the difference between OpenAthens and EZproxy?
Both let you authenticate when off-campus.
OpenAthens uses your LSUHSC-NO full e-mail address and password.
EZproxy uses your Library barcode and PIN.
You can also log into EZproxy using OpenAthens.

Getting a Barcode
LSUHSC Students, Residents, Faculty and Staff can register for a Library barcode for off-campus access to the Libraries' resources by filling out our registration form at http://www.lsuhsc.edu/library/services/docs/PatronRegistrationForm.pdf
The barcode is a sticker placed on the back of your LSUHSC ID. If you get a replacement ID, be sure to get a new barcode sticker.

If You Forget Your PIN
You will need to contact the Library during working hours to have it reset.

Common Error Messages
Library Card Expired: Contact Library Staff.
Access Denied: Privileges do not allow access.
Incorrect Login: Barcode or PIN incorrect.
Sorry, the information you submitted is invalid.
Please try again: you typed your name or barcode incorrectly.
Your PIN must be 6 to 30 characters long: PIN must be at least 6 characters and alphanumeric.

How to use OpenAthens and EZproxy
Logging in with OpenAthens

Click here to log in with your LSUHSC-NO e-mail and password using OpenAthens

Enter your complete LSUHSC-NO e-mail address (name1@lsuhsc.edu) and your current password

Logging in through EZproxy

Click here to log in with your LSUHSC-NO e-mail and password using OpenAthens

- or -

Use your Library barcode and PIN:

Enter your barcode: (Example: 219930000000)

Enter your PIN: (Minimum 6 characters)

Login

If you do not have a PIN, click here to create one and a new window will open.

Off Campus Access/WAM

Last Name, First Name: For example, type Tiger, Mike
Barcode: For example, type 219500...
PIN: If you don’t have a PIN, leave blank & press Submit. Example=123456
Submit

Your PIN needs to be at least 6 characters and contain both letters and numbers

If you go to a resource that supports OpenAthens without using one of the Library’s links, you will need to identify your institution:

When prompted to choose an organisation, search for LSU and choose LSU Health Sciences Center Library
